Address for Sat Nav:

**SO31 4NB**

## Location

Hamble Point Yacht Charters is located beside the Ketch Rigger pub, overlooking the boats in Hamble Point Marina. Situated at the mouth of the River Hamble, the marina offers direct access to Southampton Water and the Solent.

## By Road

From the M27 (Junction 8), follow signs for Hamble on the B3397 (Hamble Lane). After about 3 miles, just past the Fire Station:  
Turn right into Copse Lane  
Continue onto School Lane, and follow the road through the woods.  
Hamble Point Marina is at the end.  
Bear left on arrival and park near the Ketch Rigger pub.  
Our office is directly behind the pub, overlooking the river.

## By Train

Take a train to Southampton Airport Parkway—only 15–20 minutes from the marina by taxi. This is more reliable than Hamble Station, where taxis are limited.  
From Southampton Central, it's about 25 minutes by taxi.

## By Plane

Southampton Airport is just 20 minutes away by taxi.  
From Gatwick, take a train to Swanwick or Southampton Parkway, both about 20 minutes from the marina by taxi.
