Beneteau Oceanis 43.4 | Frantic | 023 8045 7110

Overview

Located at the Royal Southern Yacht Club in Hamble, this Beneteau Oceanis 43 features four cabins and is a well-maintained, seaworthy yacht. Recent upgrades include a newly installed bow thruster, new mast, and sails, including a downwind sail.

We are looking to establish a new syndicate, offering two 25% shares. Recent enhancements include new rigging and a code C sail for reaching and running, along with the new bow thruster. The mooring at RSYC is offered at a significant discount compared to other options on the Hamble River, and members can enjoy a bosun launch taxi service to the boat.
